

FAST FACTS

The Calgary Food Bank is the city's main charitable food hub and the first line of support for anyone facing a food emergency. Addressing the food is our first step in triaging their emergency, then we make critical connections for them with our community partners and their programs. Our relationships in the community and food support to hundreds of other agencies means we can work collaboratively towards solving the problem of food insecurity in Calgary. **Together, we can create a hunger-free community.**

I am exceedingly thankful to the Food Bank for delivering the hamper during the lockdown as I thought I couldn't go. I have asthma that is dangerous if I have any respiratory illness, so I was scared. Great food is such a relief.
